Winnipeg, Manitoba
R3C 3L6 Ph. 945-2564

For information about any of the programs, please call or write the contact person listed.

Manitoba

Minister of
Municipal Affairs

Winnipeg, Manitoba, CANADA
R3C 0V8

The 1987-88 Catalogue of Grants Available to Municipalities in Manitoba details funding assistance and eligibility criteria, and lists contact names.

All programs described share the same basic objective, which is to provide Manitoba's local governments with assistance to improve community assets and facilities, and to enhance the quality of life in Manitoba's municipalities.

Municipal officials and administrators are encouraged to study the programs offered to determine whether available grants could be applied to and benefit local governments.

I appreciate the efforts put forth by all government departments whose programs are listed in this publication and thank them for their continued co-operation and assistance in providing information to municipal people in the province.

Yours truly,

Bill Uruski
Minister

AGRICULTURE

PROGRAM TITLE: Agricultural Area Water Pipeline Activity

OBJECTIVES: To assist local governments in water-short areas to install pipelines for water transportation from a known supply to farms and communities.

ELIGIBILITY: Any local government may apply as proposed owner/ operators or on behalf of a locally organized Utility Co-operative.

DESCRIPTION: Technical and financial assistance to either the municipality or Utility Co-Operative must be requested through a Resolution of Council.

FINANCING: Province provides a rebate of 30% of eligible capital costs, including costs of construction, material and engineering consulting services after all Agriculture Canada (PFRA) contributions have been deducted.

TIME FRAME: Ongoing.

INFORMATION CONTACT:

The Manitoba Water Services Board
P.O. Box 1059
2022 Currie Boulevard
Brandon, Manitoba
R7A 6A3

Telephone: 727-1917

AGRICULTURE

PROGRAM TITLE: Agriculture Community Water and Sewage Activity

OBJECTIVES: To assist smaller rural communities to install water and sewage components, including water treatment and distribution systems and sewage collection and treatment facilities.

ELIGIBILITY: Local governments may apply as proposed owner/ operators or on behalf of a locally organized Utility Co-operative.

DESCRIPTION: Technical and financial assistance to either the municipality or Utility Co-Operative must be requested through a Resolution of Council.

FINANCING: The Province provides rebates of 30% of eligible project costs, including costs of construction, materials, engineering services and land purchase, or by the formula used for The Manitoba Water Services Board Assistance Program.

TIME FRAME: Ongoing.

INFORMATION CONTACT:

The Manitoba Water Services Board
P.O. Box 1059
2022 Currie Boulevard
Brandon, Manitoba
R7A 6A3

Telephone: 727-1917

PROGRAM TITLE: Community Water Source Development Activity

OBJECTIVES: To assist local governments to identify and develop a dependable water source to serve community and farmer needs.

ELIGIBILITY: Any local government may apply as proposed owner/ operators or on behalf of a locally organized Utility Co-operative.

DESCRIPTION: Technical and financial assistance to either the municipality or Utility Co-Operative must be requested through a Resolution of Council.

FINANCING: Manitoba Agriculture provides a 30% grant on all eligible costs after P.F.R.A. contributions have been deducted. In addition, the Province assumes 100% of costs associated with well construction supervision, which is performed by the Department of Agriculture. Where a community water source is installed which does not meet the program objectives or procedure, Manitoba Agriculture will cost share the construction at a rate of 30% to a maximum of $2,000.00.

TIME FRAME: Ongoing.

INFORMATION CONTACT:

The Manitoba Water Services Board
P.O. Box 1059
2022 Currie Boulevard
Brandon, Manitoba
R7A 6A3

Telephone: 727-1917

PROGRAM TITLE: Grasshopper Control Assistance Policy

OBJECTIVES: To provide financial assistance to municipalities and local government districts undertaking grasshopper control measures on roadsides, drains and other public lands.

ELIGIBILITY: Any municipality or LGD.

DESCRIPTION: Municipalities or local government districts undertaking grasshopper control measures on public lands may apply to Manitoba Agriculture for a full rebate on the cost of insecticides used in the program. The cost of application is the responsibility of the municipality or LGD. A municipality or LGD may use its own spray equipment or contract the work to a commercial applicator. Where commercial applicators are hired, they must be licenced under the Pesticides and Fertilizers Control Act.

FINANCING: A full rebate on the cost of insecticides used. Application costs are the responsibility of the municipality or LGD.

TIME FRAME: Applications for rebate must be forwarded to Manitoba Agriculture, Entomology Section by October 31 of the year the spraying is done.

INFORMATION CONTACT:

Jay McCullough
Technical Services & Training Branch
Entomology Section
911 - 401 York Avenue
Winnipeg, Manitoba
R3C 0P8

Telephone: 945-3860

PROGRAM TITLE: The Manitoba Water Services Board Assistance Program

OBJECTIVES: To provide financial assistance to municipalities to develop their sewer and water systems.

ELIGIBILITY: Any municipality where there is a need to install a utility system or to extend or improve an existing system.

DESCRIPTION: Technical and financial assistance must be requested through a Resolution of Council. The provincial grant is equal to 50% of the difference between the capital cost of the project and the capitalized value of 20 mills* (discounted over a 20 year period at the current rate of borrowing) on equalized assessment, for sewer and water construction.

Existing debt is deducted from the front end costs. The capital grant is 60% of shareable costs for most northern communities which are north of the Northern Affairs boundary. Since the costs in The Pas are not as great as those in most northerly communities, the capital grant for The Pas is 55%. Where solid bedrock is encountered, a special grant of 50% of the additional costs related to bedrock will be provided. The remaining 50% would be included as part of the capital costs of the project, for purposes of calculating the communities' "front end" expenses and capital grant.

* if sewer only, substitute 8 mills
* if water only, substitute 12 mills

FINANCING: The municipal portion is advanced by The Manitoba Water Services Board to the municipality in accordance with the terms of agreement entered into between the two parties. The interest rate charged is slightly more than the prevailing rate at which the Province borrows money.

TIME FRAME: Ongoing.

INFORMATION CONTACT:

The Manitoba Water Services Board
P.O. Box 1059
2022 Currie Boulevard
Brandon, Manitoba
R7A 6A3

Telephone: 727-1917

AGRICULTURE

PROGRAM TITLE: Veterinary Services

OBJECTIVES: To assist rural communities in obtaining and retaining adequate resident veterinary services.

ELIGIBILITY: One or more municipalities may apply in appropriate form for their establishment as a Veterinary Services District under the Veterinary Services Act.

DESCRIPTION: Province may make a grant to an established Veterinary Services District for the purpose of constructing an animal hospital for their district.

FINANCING: Province may provide an annual matching grant up to a maximum of $10,000.00 to each District to assist them in maintaining and operating their hospital. The Province may also provide annual matching grants up to a maximum of $5,000.00 to subsidize the employment of a second veterinarian or technician and up to a maximum of $2,500.00 to subsidize third or more veterinarians or technicians.

TIME FRAME: N/A.

PROGRAM TITLE: Weed Control Districts

OBJECTIVES: To provide for trained personnel to enforce the Noxious Weeds Act, to provide a local source of information on weed control, and to provide services including, but not limited to, roadside weed and brush control, sprayer calibration and weed identification.

ELIGIBILITY: Districts may be formed by one or more municipalities or local government districts. Incorporated towns and villages adjacent to or located within participating R.M.'s or L.G.D.'s may also join in a weed control district.

DESCRIPTION: Weed Control Districts are municipal organizations formed to facilitate effective weed control within a local area. The service is an extension of that available from the local agricultural representative, and provides for more detailed service to the public. A unique service is the provision of on-farm visitations to identify weed problems and provide sound, integrated weed control recommendations. The Weed District Board is the governing body for the Weed Control District and has, as a result of the by-laws, all the powers given under the Noxious Weed Act to a municipality. The Board has control of the activities and programs of the Weed Supervisor.

FINANCING: The cost of operations of a weed control district shall be borne by the participating municipalities with financial assistance from Manitoba Agriculture. The grant to Weed Control Districts is based on 50% of eligible expenditures to a maximum of $10,500 per annum. Eligible expenditures include the salary of the full-time weed supervisor and travel and educational expenses of the supervisor.

TIME FRAME: Approximately 9 months after municipalities agree to form a Weed Control District.

CULTURE, HERITAGE & RECREATION

PROGRAM TITLE: Archives Capital Facilities Grants

OBJECTIVES:

To provide assistance to non-profit, community-based archives located in Manitoba for minor facility modifications.

To offer greater protection for public and private records.

To facilitate wider public use of these records.

ELIGIBILITY:

Municipal authorities, institutions and community cultural and heritage organizations.

DESCRIPTION:

The repository (library, museum of archival building) with space devoted to holding archival materials must:

- operate from a facility receiving ongoing support and occupying a stable location in Manitoba
- be administered in the public interest by a non-profit organization
- be the official archives of the governing authority
- have a mandate for housing local public records and/or archival documents from the private sector
- have a collection policy and provide acquisition, description, preservation and reference service
- have a designated individual responsible for the holdings
- offer reasonable security for its holdings
- be regularly open to the public but not necessarily on a full-time basis
- have appropriately trained staff or be willing to train staff.

FINANCING:

Two categories of grant assistance are provided. A repository may be eligible under both categories at the same time.

Category A grants are intended to provide:

1. Suitable vault space to house the holdings;
2. Suitable space to service and provide access to the holdings;

3. Suitable exhibition space; and
4. Access for the handicapped.

Up to $7,500.00 for each repository in one year on a 75% Department, 25% governing authority basis.

Volunteer labour and donated materials and equipment value at fair market cost may be included in the organization's share. Up to 60% of the organization's share (15% of the expected total project cost) may be obtained from other sources.

Category B grants are intended to provide archival equipment for an existing or new area in a repository. Some equipments provided for are:

1. Conservation equipment;
2. Storage equipment;
3. Information handling and diffusion equipment; and
4. Equipment to allow access for the handicapped.

$4,000.00 grants per year are available under Category B with no contribution required from the governing authority.

TIME FRAME: No application deadline.

Telephone: 945-3971

PROGRAM TITLE: Community Commemorative Plaque Grants

OBJECTIVES: To assist community councils and organizations in the commemoration of sites, individuals and events of local significance by providing financial assistance towards the establishment of permanent commemorative markers.

ELIGIBILITY: Non-profit community organizations, associations or groups.

DESCRIPTION: Topics eligible for commemoration are to be Manitoban in scope and must be deemed historically significant at the local level by local municipal authorities. Projects involving the commemoration of such popular topics as early pioneer groups, community churches and rural schools will be eligible for assistance under the program, with encouragement being given to the commemoration of such topics in an interpretive and thematic manner. Applicants will be required to ensure public access to the plaque and to agree to long-term maintenance of the plaque or marker site.

FINANCING: Grants will be available for one-half of the cost of the manufacture and installation of the new plaque or marker up to a maximum of $500.00.

TIME FRAME: Ongoing. Applicants will be limited to the funding of one project per year.

INFORMATION CONTACT: Your regional Culture, Heritage, Recreation Office for application/information. See page B-12.

PROGRAM TITLE: Community Cultural Councils Guidelines

OBJECTIVES: The program provides operating and programming assistance to community arts/cultural councils. The councils run programs of broad community interest and some may operate a permanent cultural facility.

ELIGIBILITY: Community Cultural Councils.

These councils are community-based "umbrella organizations" composed of representatives from one or more community cultural groups and interested community members.

DESCRIPTION: Applicants:

a) must be located outside the City of Winnipeg;

b) should have municipal support as evidenced by letters of financial commitment which include a certification of the per capita contributions by supporting municipalities;

c) must have a Constitution and By-laws and operate with a duly elected Board of Directors;

d) must have provided programming for a minimum of one year;

e) programming must include a variety of arts, cultural and heritage activities;

f) must be a non-profit organization;

g) membership must be open to the public;

h) programs must be open and accessible to the public.

FINANCING:

a) Operating Grants: in 1986-87, Community Cultural Councils are eligible to receive an operating grant based on the greater amount of

i) the 1985-86 operating grant awarded

OR

ii) matched municipal contributions to a maximum of $1.00 per capita (Municipal contributions are defined as grants, tax exemptions or the value of free or subsidized rent at market rates.)

For Community Arts/Cultural Councils in communities falling within Norman Region boundaries and which serve a population of fewer than 5,000 people, Manitoba Culture, Heritage and Recreation will match municipal contributions on a 50/50 basis to a maximum of $1.50 per capita.

b) Community Support Incentive: Community Cultural Councils which generated one-third or more of their total revenue in the immediate past fiscal year from non-government sources are eligible to apply for the Community Support Incentive, which will match eligible revenue on a 50/50 basis, to a maximum of $5,000.00.

c) The total of the Operating Grant and the Community Support Incentive in any fiscal year shall not exceed $25,000.00.

INFORMATION CONTACT: Regional Offices for application/information. See page B-12.

PROGRAM TITLE: Community Museums

OBJECTIVES:

The intent of the program is to provide support for facilities that serve to protect and interpret Manitoba's heritage resources.

To improve the quality of museum collections and programs throughout Manitoba.

To facilitate the effective use of available resources through co-operation between Manitoba's museum and related institutions and organizations.

ELIGIBILITY:

Eligible, non-profit, public community museums may apply for operating funds in one of two levels.

DESCRIPTION:

An eligible institution must:

- have a clearly defined statement of purpose which includes the primary reason for creating the museum, functions of the museum, geographical area to be served, subjects and time period to be covered.
- have been in operation for at least one year.
- be open to the public a minimum number of days per year totalling no less than a specified number of hours. (depending on level)
- have a governing authority solely responsible for its management and with clear reporting lines to the public.
- be a non-profit corporation or be a public institution operated by a municipality, historical society, library, university or Indian Band.
- hold clear ownership of a majority of items in its collection.
- have a definable site with space designated for museum purposes.
- maintain separate financial records related to the operation of the museum.
- not receive operating grants directly or indirectly under other grant programs of the Manitoba Government.

- show a reasonable level of attendance for the area and size of museum.

- agree with the Minister of Manitoba Culture, Heritage and Recreation to permit and co-operate in an annual evaluation of the museum if required by the Minister.

FINANCING:

Level 1

Up to $1,500.00 maximum, according to the formula "one dollar for every dollar raised locally" up to 50% of normal operating expenses.

Level 2

Up to $3,500.00 maximum, according to the formula "one dollar for every dollar raised locally" up to a maximum of 50% of normal operating expenditures, or the maximum of $3,500.00, whichever is lesser.

The formula would be applied against figures drawn from the prior year's financial statement. The formula would be applied only after certain eligibility criteria have been met for each level.

TIME FRAME:

Application forms will be mailed to all community museums. The applications must be submitted, completed, to your Regional Office on or before the final day of March 1st of the year for which the grant is requested.

INFORMATION CONTACT:

Regional Offices for applications/information. See page B-12.

CULTURE, HERITAGE & RECREATION

PROGRAM TITLE: Equipment Grant for Remote Communities

OBJECTIVES: To assist remote Northern Communities in the purchase of equipment. The Department of Northern Affairs and the Federal Department of Indian and Inuit Affairs help administer and promote the program through a consultation process with eligible communities.

DESCRIPTION: Applicants must submit a completed application.

FINANCING: A maximum grant of $800.00 is available annually.

ELIGIBILITY: All remote Northern Communities in the Parkland, Eastmen, Norman and Interlake regions may apply.

TIME FRAME: January 31, 1988. Copies of paid-up invoices must be received prior to that date.

INFORMATION CONTACT: Regional Offices. See page B-12.

PROGRAM TITLE: Manitoba Community Places Program

OBJECTIVES: To assist non-profit organizations throughout Manitoba to undertake projects which, when completed, will enhance the quality of life of the general community.

ELIGIBILITY:

Project sponsors - Non-profit organizations such as recreation and sport associations, libraries, museums, ethnocultural groups, community resources centres, day cares and seniors' groups are eligible to apply. Not eligible are public schools, universities, hospitals, nursing homes and departments and agencies of the Federal and Provincial governments. (Municipalities, Bands and Northern Affairs communities are eligible to apply provided the proposals do not involve the ineligible activities noted below.)

Project activities - Eligible activities include acquisition, construction, renovation or general repair of facilities which are available to the community at large. Ineligible activities include housing and municipal works such as sewer and water, roads, bridges, firehalls, municipal offices and public works buildings or facilities.

Projects costs - Eligible project costs include those related to paid project worker wages, employee benefits, materials and equipment rented from others. Costs of tools, furniture, equipment purchased, the wages of project sponsors' regular employees or materials from inventory are not eligible. Any costs incurred prior to the date of the grant approval are not eligible.

DESCRIPTION: Grants of up to 50% of eligible project costs to a normal maximum Program Contribution of $75,000.00 can be approved.

FINANCING: Approved grants are paid upon receipt of claims from project sponsors. (All incurred project costs must be reported before the full amount of the approved grant is paid out.)

TIME FRAME: The program will operate between January, 1987 and December, 1990. ($40M has been approved to be cash-flowed at $10M per year for 4 years.)

PROGRAM TITLE: Municipally-Designated Heritage Building Grant

OBJECTIVES: To assist owners of municipally-designated heritage buildings in the restoration/stabilization/preservation/rehabilitation of these buildings.

ELIGIBILITY: Owner of a municipally-designated heritage building or the holder of a long-term lease (minimum 10 years beyond date of application) for the property providing written permission from the building owner is obtained.

DESCRIPTION: This grant program applies only to buildings of particular architectural/engineering merit and historical significance that have been designated as such by the appropriate municipality under the Heritage Resources Act, Province of Manitoba or by the City of Winnipeg under By-law No. 1474/77 (Grades I, II or III). Although municipal heritage sites may be so designated primarily for their archaeological or historical significance, such sites are not applicable to this grant program.

Eligible project costs include:

1. obtaining initial professional advice, cost estimates and preparing design drawings and/or contract documents directly associated with the preservation of the designated building;
2. work required to restore, stabilize, preserve or rehabilitate the original structure or architectural features of the building;
3. purchasing, installing or repairing the electrical or mechanical systems providing the work is essential to the preservation of the designated building and will not detract from the building;
4. developing the grounds of a designated building where, in the opinion of the Department, this is necessary; and/or
5. installing access facilities for the handicapped.

All eligible work must be sympathetic to the heritage value of the designated site and will be subject to approval by the Department on this basis.

FINANCING: Grants will be available up to $35,000.00 for each designated site in one year on a 50% Department, 50% applicant basis.

Volunteer labour, calculated at prevailing wage rates, and donated materials and equipment, valued at actual costs, may be included as part of the applicant's share.

Up to 60% of the applicant's share may be obtained from government or other sources.

TIME FRAME: Application forms shall be obtained from and submitted to your Regional Office. There is no application deadline and applications will be reviewed on a continuous basis.

INFORMATION CONTACT: Regional Offices for applications/information. See listing on page B-12.

PROGRAM TITLE: Recreation District Grants

OBJECTIVES: To assist communities, municipal corporations and school divisions in developing and implementing programs by hiring a full-time Recreation Director.

FINANCING: The annual grant to districts is based on the number of participating municipal corporations, population, population density and total assessment. The formula is:

- A $2,000.00 basic grant
- A $1,000.00 grant for each participating municipal corporation.
- A $1,000.00 grant for a district with a population of more than 10,000 people.
- A $1,000.00 grant for a district with an average population density of less than 10 people per square mile.
- A grant based on the total assessment of the district;
  - $3,000.00 for an assessment of 0-10 million
  - $2,000.00 for an assessment of 10-20 million
  - $1,000.00 for an assessment of 20+ million.
- A $1,000.00 grant for an agreement with a school division.

ELIGIBILITY: Three or more municipal corporations and surrounding school divisions in the Westman, Interlake, Eastman, Central and Parkland regions.

TIME FRAME: Ongoing.

DESCRIPTION: By pooling resources, districts are able to hire full-time Recreation Directors to co-ordinate recreation programs.

INFORMATION CONTACT: Regional Office for application/information. See page B-12.

PROGRAM TITLE: Rural Library Establishment Grants Program

OBJECTIVES: To ensure that a basic book collection is available for the use of the residents of a municipality establishing library service for the first time; to encourage the formation of larger and more efficient library systems.

ELIGIBILITY:

a) Public library boards established under Part II or Part III of The Public Libraries Act may apply for an establishment grant.

b) The library board is eligible for an establishment grant on the next April 1 following the passing of the library by-law.

DESCRIPTION: In order to increase the number of Manitobans with access to local library services, the Province pays an establishment grant in respect of any municipality establishing library service for the first time under Part II or Part III of The Public Libraries Act.

As provided in Manitoba Regulation 215/86, application for an establishment grant is made by letter of the library board chairperson, accompanied by:

i) a certified copy of the library by-law following its third reading by the municipality;

ii) a list of the board members and their addresses; and

iii) in the case of a regional library, a certified copy of the agreement.

The by-law and draft agreement must be submitted for the approval of the Minister of Culture, Heritage and Recreation and the authorization of the Municipal Board before passing the by-law and signing the agreement.

FINANCING: An establishment grant of $5,000.00 will be paid in respect of any municipality establishing library service for the first time.

At least $4,000.00 of each $5,000.00 grant must be spent on the purchase of books during the first two years of library operation by the new municipality or municipalities.

TIME FRAME: The establishment grant to a library will normally be paid at the same time as the operating grant is paid, following April 1 of each year.

PROGRAM TITLE: Travelling Libraries

OBJECTIVES: To provide all rural and northern Manitobans with a library service to meet their minimum print reading needs and to support local community efforts to take the first step toward the establishment of a full library service.

ELIGIBILITY: All rural and northern communities within provincial jurisdiction that are not served by an established public library service.

DESCRIPTION: A collection of 500 books is made available for a four month loan period to communities which can demonstrate sufficient interest and support for such a library by providing housing, access and security for the collection. A volunteer custodian is expected to keep basic circulation statistics and take responsibility for the return of the books. Each library is composed of titles for all age groups and based on the community profile. Public Library Services selects the carrier and pays for the shipping both ways.

FINANCING: Appropriation.

TIME FRAME: Continuing.

INFORMATION CONTACT:

Maureen Mahon
Direct Services Supervisor
Public Library Services
139 Hamelin Street
Winnipeg, Manitoba
R3T 4H4

Telephone: 945-0022

PROGRAM TITLE: Rural Library Operating Grants Program

OBJECTIVES: The objectives of the formula delineated in Manitoba Regulation 215/86 are threefold:

1. To provide for equitable sharing by the Province and municipalities of the cost of library service;
2. To mitigate the effects on library service of economic disparities between municipalities; and
3. To encourage and reward municipal commitment to library service.

ELIGIBILITY: Public library boards established under Part II or Part III of The Public Libraries Act may apply for an annual operating grant under this program.

DESCRIPTION: Under Manitoba Regulation 215/86, rural libraries are eligible for operating grants based on a three-part formula. Calculations for each municipality participating in a library system are done separately:

a) A basic grant to match municipal funding for the library to a maximum of $3.50 per capita, based on the population of the municipality as set out annually at May 31 of the preceding year by the Minister of Municipal Affairs pursuant to section 4 of The Unconditional Grants Act; plus

b) An equalization grant to match the shortfall in those municipalities where a levy of 1.35 mills against the equalized assessment generates less than $3.50 per capita; plus

c) An incentive grant to match the amount by which a municipality exceeds 1.35 mills against the equalized assessment in its funding for the library, to a maximum of $1.00 per capita.

d) Payments are based on the proposed municipal funding for the current year, and are adjusted, if need be, in the subsequent year when the actual municipal funding can be verified in the audited statement.

FINANCING: For purposes of this program, annual operating costs include those related to staff, library material, utilities, maintenance,

stationery, postage and programs. Shelving, computers, equipment and furniture are also eligible operating costs. The acquisition, construction and/or installation of physical assets related to the structure of a library facility and the purchase of vehicles and bookmobiles are not included.

TIME FRAME:

Grants will be processed for payment upon satisfactory completion of the documents listed under b) above, and after April 1 each year. Each June, library boards will be notified as to the status of their documentation, if any of the documents have not been received by that time.

DISASTER ASSISTANCE BOARD

PROGRAM TITLE: Manitoba Disaster Financial Assistance

OBJECTIVES: To assist municipalities, businesses and individuals financially when the eligible costs of a disaster do not exceed the threshold at which Federal Disaster Assistance Arrangements are applicable, but exceed the threshold which any one municipality can reasonably be expected to bear on its own.

ELIGIBILITY: Available to any municipality in Manitoba that has incurred a disaster.

DESCRIPTION: The program covers municipal damages to bridges, roads, culverts and flood fighting costs from a disaster. For individuals and businesses, the program covers damages to homes, buildings, farmland erosion, barns and moveable objects lost or damaged in a disaster, which qualify under the Provincial Guidelines.

FINANCING: The program is mainly financed by the Provincial Government, but the municipalities contribute based on the cost-sharing formula in the Provincial Guidelines. A copy of the Provincial Guidelines are in each Municipal office. A revised set of guidelines are in the process of being sent to each municipality.

INFORMATION CONTACT:

J. Masi
Secretary
Manitoba Disaster Assistance Board

Telephone: 945-3050

EMPLOYMENT SERVICES & ECONOMIC SECURITY

PROGRAM TITLE: Social Assistance Grant

OBJECTIVES: To assist municipalities with the cost of social assistance provided to persons residing within their municipal boundaries.

ELIGIBILITY: No application is necessary as grants are paid on the basis of social welfare cost reports submitted monthly to the Province by the municipality.

1. Municipalities must have a by-law and an accompanying schedule of rates for the provision of assistance to persons in need. The rates included in the schedule must meet the cost of basic necessities.

2. Municipalities issue assistance to persons residing within their boundaries who do not qualify for provincial social allowances such as the unemployed, transients and mothers who have been deserted or separated for 90 days or less or whose husbands have been imprisoned for less then 90 days.

DESCRIPTION: The Province will reimburse the municipality for assistance granted to persons residing within the municipal boundaries on the following basis:

- 100% of all assistance grants to persons who are not legal residents of the municipality.

- For assistance granted to legal residents of the municipality, the greater of 40% of all assistance less than one mill on the equalized assessment of that municipality.

EMPLOYMENT SERVICES & ECONOMIC SECURITY

PROGRAM TITLE: Welfare Services Grant

OBJECTIVES: To assist municipalities in meeting the cost of administering social assistance within the municipality.

ELIGIBILITY: Any municipality or local government district may make application.

DESCRIPTION: The Province will grant an amount equal to 50% of the salary and wages costs on behalf of persons employed by the municipality for full-time administration of social assistance.

Grants are only paid on behalf of the municipal employees engaged in full-time welfare work. Claims for the grants are to be submitted annually.

ENERGY & MINES

PROGRAM TITLE: Business/Community CHEC Loan

OBJECTIVES: To help businesses and community institutions achieve energy-saving improvements by making loans available for retrofit programs.

ELIGIBILITY: Manitoba small businesses, institutions or non-profit organizations whose building was constructed prior to January 1, 1985, and whose energy savings will be 20 percent or more.

DESCRIPTION: It is a financial assistance program designed to help business and community organizations reduce energy costs. The first pre-requisite is an energy audit, in order for a business or community organization to qualify for a loan to implement retrofit measures.

FINANCING: Loans are up to 80 percent of the cost of the energy-saving project or $32,000.00, whichever is less, at the prevailing provincial government interest rate. The minimum loan is $3,000.00.

TIME FRAME: Loans must be repaid within five years.

INFORMATION CONTACT:

Manitoba Energy and Mines Info Centre
555 - 330 Graham Avenue
Winnipeg, Manitoba
R3C 4E3
Telephone: In Winnipeg: 945-4154
Toll Free: 1-800-282-8069

ENERGY & MINES

PROGRAM TITLE: Provincial Energy Audit Program
Business/Community CHEC Loan

OBJECTIVES: Reduce energy consumption and operating costs of qualifying facilities through cost effective energy conservation retrofitting.

ELIGIBILITY: Municipalities are eligible subject to their meeting program operating criteria.

DESCRIPTION: Manitoba Energy and Mines currently offers a Professional Energy Audit (Analysis) Service on a no charge basis to municipalities and other organizations. The Energy Audit is a prerequisite to loan application and will assist in identifying suitable retrofit projects. (Contact Ken Webb, P.Eng. 945-2695.) CHEC Loan staff then review the written estimates for the proposed work and complete the loan application. Subject to energy reduction and cost effectiveness considerations, eligible projects include adding insulation, weathersealing and HVAC control improvements, etc.

FINANCING: Loans of up to $32,000.00 are available for 80% of the project cost to qualifying facilities. The maximum term is five years at an interest rate equal to the existing government 5 year borrowing rate.

GOVERNMENT SERVICES

PROGRAM TITLE: Joint Emergency Planning Program. (JEPP)

OBJECTIVES: To enhance the national emergency response capability. To encourage and support co-operation between Federal and Provincial Governments in working toward a national capability to meet emergencies of all types with a reasonably uniform standard of emergency services.

ELIGIBILITY: All municipalities and Northern Affairs Communities.

DESCRIPTION: The program is oriented toward projects which invoke resource commitments by both Federal and Provincial and/or Municipal Governments. The allocation of resources is intended to reflect such priorities as disasters, saving of life and mitigation of human suffering, and risk analysis, warning and communications. Services normally provided by municipal emergency agencies such as fire departments and police departments are not eligible for this program.

FINANCING: Financing is normally on a 50/50 cost-sharing arrengement, however, there is no set formula for the sharing of project costs.

TIME FRAME: Projects are managed over the Federal fiscal year April 1 - March 31, however, projects requiring two or more years may be funded in any one year, wholly or partly.

HEALTH

PROGRAM TITLE: Fluoridation Grant

OBJECTIVES: To have all communal water systems in the Province fluoridated. Fluoridation of water supplies will improve the dental health of children through prevention of tooth decay.

ELIGIBILITY: Any community of a population of 800 or more that currently does not have an optimal fluoride level in their water supply.

DESCRIPTION: If a community is interested in this grant, contact can be made with the Fluoridation Officer, Department of Health, Dental Health. The officer will provide information on the grant program, make formal contact with the community and assist in the design, installation and operation of the equipment. Once the system is operational, the Fluoridation Officer will review and authorize payment to the community for the purchase and installation of the equipment. Assistance is provided with ongoing monitoring of the water supply.

FINANCING: The grant is based on actual costs of purchase and installation of equipment as submitted by communities.

TIME FRAME: Once the grant is approved, installation and purchase of equipment should be completed within any government fiscal year.

INFORMATION CONTACT:

MANITOBA HEALTH SERVICES COMMISSION

PROGRAM TITLE: Ambulance Grant Assistance

OBJECTIVES: To provide financial assistance for municipalities supplying ambulance services, or contracting for ambulance services.

ELIGIBILITY: Any municipality or local government district. (Municipalities within a hospital district may wish to submit a combined program, in which instance grants may be pooled.)

DESCRIPTION: Funds may be used for capital investments, i.e. vehicles, equipment and communications.

- Operating Expenses
- Contract Payment for service.

FINANCING: Per capita grant basis for 1986 ranged from $1.83 to $2.65 taking into account an equalized assessment formula.

TIME FRAME: Program is effective January 1st, annually.

INFORMATION CONTACT:

I.G. MacPherson
Manager
Emergency Health and Ambulance Services
599 Empress Street
Winnipeg, Manitoba
R3C 2T6

Telephone: 786-7286

MANITOBA HEALTH SERVICES COMMISSION

PROGRAM TITLE: Ambulance Training

OBJECTIVES: To maintain and improve the skills of ambulance attendants.

ELIGIBILITY: Ambulance attendants registered and active with an ambulance service within the Province.

DESCRIPTION:

1. Full payment to the provider (St. John Ambulance or Red Cross) for basic first aid training.
2. Payment to the service towards training costs for First Responder (90 hour) course recognizing successful certification only (see Financing).
3. Central training of local ambulance personnel as Instructors (program conducted in Winnipeg, with travel, accommodation and meal costs provided.)
4. Ongoing consultation provided from Winnipeg office.

FINANCING: Ambulance service receives $100.00 per attendant successfully completing First Responder course and passing certification exam. As well, re-certification required within 3 years for which service receives $50.00 per attendant.

MUNICIPAL AFFAIRS

PROGRAM TITLE:	Centennial Grants
OBJECTIVES:	To provide assistance towards Centennial observances of a municipality.
ELIGIBILITY:	Any incorporated municipality or local government district by written application.
DESCRIPTION:	Grants are to be used to assist in the cost of projects approved by the Province.
FINANCING:	Grants are based on $2.00 per capita Canada census population figures.
TIME FRAME:	Ongoing.
INFORMATION CONTACT:	Municipal Finance Officer Municipal Advisory and Financial Services 1325 - 405 Broadway Winnipeg, Manitoba Telephone: 945-2573

MUNICIPAL AFFAIRS

PROGRAM TITLE: Grants-in-lieu of Taxes

OBJECTIVES: To offset costs to local government in servicing provincially owned properties benefiting from municipal services.

ELIGIBILITY: Any municipality or local government district with provincial properties located within its boundries.

DESCRIPTION: Province will pay a grant equivalent to school and municipal taxes on all provincial properties except those exempted under 796(2) of The Municipal Act. Exemptions include unimproved unpatented lands, public highways or road allowances, provincial waterways, lanes in provincial parks or recreational areas, community pastures and lands leased to private individuals or companies. (eg. hay and grazing permits) Provincial agencies and enterprises; (eg. Manitoba Telephone System, Liquor Control Commission, Manitoba Hydro, etc.) pay their own grants-in-lieu of taxes. Similarly, the Government of Canada pays its own grants-in-lieu on federally owned property.

FINANCING: Grants will paid by Municipal tax due dates which vary.

TIME FRAME: Ongoing.

INFORMATION CONTACT: Mail tax notices (in duplicate) to:

Municipal Finance Officer
Municipal Advisory and Financial Services
1325 - 405 Broadway
Winnipeg, Manitoba

Telephone: 945-2573

MUNICIPAL AFFAIRS

PROGRAM TITLE: Local Government General Support Grants

OBJECTIVES: To fulfill the Province's commitment to return funds paid through the Health and post Secondary Education Levy.

ELIGIBILITY: All municipal corporations and eligible unincorporated village districts.

DESCRIPTION: Applications are forwarded to municipalities and eligible unincorporated village districts.

FINANCING: Grants entitlement is based on a percentage of net payroll costs or total earnings before deductions. This includes wages and salaries, taxable benefits and allowances, and commissions and bonuses. Note: Payroll costs do not include the employer's share of C.P.P. contributions of U.I.C. premiums, nor any pension benefits paid after employees' retirement.

TIME FRAME: Ongoing.

MUNICIPAL AFFAIRS

PROGRAM TITLE: Provincial-Municipal Tax Sharing Payments

OBJECTIVES: Distribution of tax revenues collected by Ottawa under agreement with the Province on behalf of all Manitoba municipalities under the Provincial-Municipal Tax Sharing Act.

ELIGIBILITY: No application is necessary; payments are made automatically by the Province during July of each year.

DESCRIPTION: Distribution is based on the most recent Statistics Canada Census data, adjusted to exclude military population and to reflect changes in municipal boundaries.

FINANCING: Monies are generally distributed on a per capita basis to all towns, cities, villages and rural municipalities, including the Department of Northern Affairs on behalf of Indian bands and unorganized territory. An urban supplement is paid to eligible urban municipalities to offset some of the higher costs associated with urban government.

TIME FRAME: Ongoing.

MUNICIPAL AFFAIRS

PROGRAM TITLE: Planning District Development Plan

OBJECTIVES: To provide assistance to a newly formed Planning District (and to its member municipalities) in meeting the cost of preparing a District Development Plan.

ELIGIBILITY: Any Planning District which has been formed under The Planning Act.

DESCRIPTION: Assistance is provided in the form of staff time and grants to ensure that the cost of preparing a Development Plan is not a reason to prevent any group of municipalities from forming a Planning District and entering into a Planning program.

FINANCING: The cost is shared on a 50/50 basis to a maximum district share of $1 per $1,000.00 equalized assessment over the district with any shortfall being funded by the Province.

TIME FRAME: Ongoing.

MUNICIPAL AFFAIRS

PROGRAM TITLE: Police Services Grants

OBJECTIVES: To provide financial assistance to Manitoba municipalities which incur costs for policing.

ELIGIBILITY: Any municipalities outside the City of Winnipeg who have incurred costs from policing. No application is necessary. Payment will be made annually in late September.

DESCRIPTION: A grant will be made to municipalities who have incurred costs for policing which have required a mill rate levy higher than the annual provincial average. Grants are calculated using the net policing costs (actual audited cost less the urban services supplement received with the provincial municipal tax sharing payment) and the equalized assessment.

FINANCING: Maximum grant allowable will be $100,000.00. Grants will be based on prior years figures.

TIME FRAME: Ongoing.

MUNICIPAL AFFAIRS

PROGRAM TITLE: Urban Transit Grants

OBJECTIVES: To assist small urban governments with the provision of public transit services.

ELIGIBILITY: Any city or town, excepting the City of Winnipeg, that wishes to provide public transit services either directly or under contract to a privately-owned carrier.

FINANCING: Operating Transit Grant - provides for an annual operating grant equivalent to:

50% of the urban governments' net operating transit deficit.

Transit Bus Purchase Program - provides for a 50% provincial grant on approved bus purchases for a publicly owned transit system.

TIME FRAME: Ongoing.

PROGRAM TITLE: Conservation Districts Grant

OBJECTIVES: To encourage and promote the establishment of Conservation Districts in Manitoba as a preferred system for enhanced soil, water and resources management.

ELIGIBILITY: Municipal corporations and local government districts.

DESCRIPTION: The Conservation District Program advocates an organized approach to total resource management and conservation. As part of a conservation district, local municipalities, through their Conservation District Board work together to develop and implement comprehensive and integrated programs of soil and water management which may include wildlife and other related resources. In order to initiate the process, a resolution may be submitted to the Minister of Natural Resources, or the Authority may be contacted as noted below.

FINANCING: The Province provides a grant equal to 75% of the costs of the district programs. Capital projects in excess of $100,000.00 are subject to negotiation on a project by project basis.

TIME FRAME: This program is ongoing and is subject to funds being approved as part of the budgeting process.

INFORMATION CONTACT:

The Conservation Districts Authority
711 - 330 Graham Avenue
Winnipeg, Manitoba
R3C 4A5

Telephone: 945-4948 or 945-7496

PROGRAM TITLE: Direct/Consultant Engineering Services to Rural Municipalities, Local Government Districts and Conservation Districts.

OBJECTIVES: To assist local governments and conservation districts in the efficient planning, design and implementation of agricultural land drainage works, as well as to provide advice and guidance to these agencies on a variety of water resources matters.

ELIGIBILITY: Rural Municipalities, local government districts and conservation districts.

DESCRIPTION: Services may involve any or all of the following: on-site investigation with local agency representatives, field-oriented problem-solving recommendations, feasibility studies, benefit-cost analysis, engineering design of agricultural drainage, flood control, and other water control works, written reports, and field surveys. Services are provided as staff resource commitments on other priority projects allow. Services to conservation districts are given a higher priority.

FINANCING: Costs of surveys and design reports for municipalities and local government districts are partially recovered to provincial general revenue through a charge of $175.00 per day for survey crews, plus 15% for engineering report if it is required. There is no cost to conservation districts for field surveys and engineering.

TIME FRAME: Ongoing

INFORMATION CONTACT: Regional Water Managers of the Water Resources Branch. See page M-9.

PROGRAM TITLE: Dutch Elm Disease - Cost-Sharing Agreements

OBJECTIVES: To preserve the ornamental elm population within communities threatened with losing their elm trees to Dutch Elm Disease. By implementing an integrated approach using a number of cost-shareable control strategies along with technical expertise from forestry officials, plus public education and co-operation, elm trees can be protected. Losses, which are still to be expected, will be experienced over a longer period of time which will allow for reforestation through replacement planting.

ELIGIBILITY: Any urban municipality, rural municipality or local government district may enter into a cost-sharing agreement.

DESCRIPTION: Municipalities involved in the program confer with forestry experts to determine the most effective control strategy for their area. Management strategies may include site-specific inventory, tree removals and pruning, spraying, tree injections, elm tree replacements or establishing an elm tree disposal site. Provincial courses related to tree maintenance and D.E.D. prevention are avaliable to municipal employees and are also cost-shareable. Once the decision on D.E.D. control is made, the municipality carries out their program, incurs the total cost and subsequently bills the Province for 50% of the amount.

FINANCING: For all cost-sharing agreements the Province pays 50% of the costs of any program. The maximum provincial share allowed to any community, excluding the City of Winnipeg, is .50¢ per capita. The maximum allowable to the City of Winnipeg is $350,000.00 per year.

TIME FRAME: After consultation with departmental officials, a new agreement may be entered into at any time during the year. Annual renewal of existing agreements usually takes place March through May.

NATURAL RESOURCES

PROGRAM TITLE: Emergency Flood Fighting

OBJECTIVES: To provide technical advice and assistance to municipalities concerning flood protection measures.

ELIGIBILITY: All municipalities.

DESCRIPTION: Engineering & Construction has the lead role in dealing with flood emergencies. There are four separate stages of branch involvement:

1. Normal Spring Run-off - Monitoring of water levels and run-off progress reporting.

2. Limited Flooding - Provision of technical advice and assistance in implementation of flood containment at local level.

3. Advanced Flooding - Although still a municipal responsibility, the Branch will act as municipal agent under a directive by Resolution of Council. Overall authority remains with the municipality.

4. General Flood Emergency - The Branch will provide the required support under the direction of the Provincial Government when flood reaches major proportions beyond the capabilities of several municipalities.

FINANCING: Manitoba Flood Disaster Financial Assistance Program in designated areas.

TIME FRAME: Normally during Spring Run-off.

INFORMATION CONTACT:

Engineering & Construction Branch
Chief, Project Management Services,

Telephone: 945-7488

NATURAL RESOURCES

PROGRAM TITLE: Flood Damage Assessment/Restoration

OBJECTIVES: To assist the Manitoba Disaster Assistance Board in the assessment, administration and claiming related to public sector flood damage.

To provide technical advisory services to municipalities in the restoration of flood damaged public works.

ELIGIBILITY: All municipalities.

DESCRIPTION: Engineering & Construction Branch leads the public sector damage team; providing inspection services, damage assessment, claim review and recommendations concerning payment of claims submitted by municipalities and other local authorities.

FINANCING: Manitoba Flood Disaster Financial Assistance in designated areas.

TIME FRAME: Year round.

INFORMATION CONTACT: Engineering & Construction Branch,
Chief, Project Management Services

Telephone: 945-7488

NATURAL RESOURCES

PROGRAM TITLE: Local Government District Land Planning

OBJECTIVES: To provide land planning assistance to local government districts in the use of L.G.D. lands in trust and administered by the Province of Manitoba on behalf of Local Government Districts.

ELIGIBILITY: All Local Government Districts in Agro-Manitoba where the Province is administering the L.G.D. lands on behalf of the local government districts.

ELIGIBILITY: Local Government Districts will be provided with detailed land use maps for all lands held in trust by the Province. These land use maps will be developed under terms of reference provided by the Local Government Districts and will be subject to Council approval.

FINANCING: Costs of field inspection, map production are jointly covered by Manitoba Natural Resources, Agriculture, Municipal Affairs, Northern Affairs, under the direction of the Crown Land Classification Committee.

TIME FRAME: As negotiated between Council and the Crown Land Classification Committee.
